During the Autumn Ball on Saturday, at the United Poles in America Crystal Room in Perth Amboy, teachers from a local school received recognition. In appreciation of her contributions, Lila Zagroba was given a plaque.

Maria Tchorzewska, school administrator, and Martha Suchcicka, school principal, highlighted in their addresses that the event was a salute to the teachers who work hard at this educational institution, established in 1953.

Teachers received gifts in celebration of the recently observed Teachers' Day. All said farewell to Lila Zagroba who is soon returning to Poland. She received a commemorating plaque.
