

LIVELY NEW YEAR'S EVE PARTY AT Z.P.A. in Perth Amboy, New Jersey

In a beautifully decorated in red and gold Crystal Ballroom in the United Poles in America headquarters, the New Year's Eve party on December 31, 2009, was celebrated not only by residents from the surrounding towns of Perth Amboy, NJ, but also guests from New York. With stimulating music of Simone Band that played for the first time at Z.P.A., we said good bye to the year 2009 and enthusiastically welcomed the New Year 2010.

This New Year's Eve was great, unusual and different from others this time around. Perhaps because of the surprisingly high number of young Polonia, and especially the parents of children from the Polish Language Supplementary School of the United Poles in America parents who so incredibly danced until the very end of the party.

All that's good ends too soon.

John Klain, president, and the Board of Directors of Z.P.A. thank everyone for participating in this memorable event, fantastic night in great company and invite everyone to future events in the Crystal Ballroom.
